President's Report

Dear Members,

I can't believe it is the holidays and that one year has passed since the last election and I have been asked for the first President's Report - Crazy!

I have been asked why I want to be President and what is "my plan". I thought one day I may seek this role but it was to be after JH had gotten older but here we are. It is no secret that dog training is a way of life for me. My dogs are thriving and happy to go to "school", or to "Mr. Dave's" and know what day of the week it is. I hope to share this passion with new students to GABOC and perhaps see more of our current members we have not seen in the ring come back to training. Inspiring others is key as my first teacher Patti Mamsen inspired me to seek out GABOC and here all those years ago I had seen Sandi Stephenson float across the building with her Rottie Abel further inspiring me to continue to achieve and provide my dogs with full and fun lives! I continue to seek that inspiration and find new ways to learn with my pack. We must continue to inspire others around us to join us on the journey with our dogs in our chosen activity!

Understanding what our membership and dog community is seeking would be another objective. I hope we can again offer conformation. I'd like to see us explore opportunities in AKC scent work. I'd like to see us have novice students graduate to open and have open students graduate to utility.

To meet these objectives, I hope our membership will come together to inspire new people to the world of dogs to enjoy and love them as they are so deserving! Despite the challenges in our world, GABOC has had a very successful 2021. I look forward to seeing all of us achieve even more through friendship and for ***THE LOVE OF THE DOG!***

KEEP YOUR PETS SAFE THIS HOLIDAY SEASON

No bones about it:

Avoid giving bones to your dogs or cats, particularly turkey bones. Poultry bones easily splinter and can cause intestinal blockages or lacerations.

Not-so-terrific treats:

Chocolate and other sweets can be deadly to cats and dogs. Look for healthy animal treats instead.

Poisonous plants:

Holiday plants like mistletoe, holly, ornamental pepper and Christmas rose can be toxic, keep out of reach of pets - especially birds.

Tree tips:

Pets and Christmas trees can be a troublesome twosome. Keep these tips in mind when trimming your tree:

- ❄️ Ensure the tree is well-secured and try to place decorations above paw height.
- ❄️ Using string to hang decorations instead of hooks helps, as hooks can be easily dislodged.
- ❄️ If possible, use non-breakable ornaments.
- ❄️ Avoid using tinsel or angel hair – both can cause intestinal issues when ingested.
- ❄️ Cords for lights should be made inaccessible to pets who may be looking for things to chew on.
- ❄️ Chemicals used in the water reservoir of your Christmas tree to help it last longer can be toxic to animals; keep this area covered to protect your pets.

Toy watch:

Avoid pet toys with small or soft pieces that can be chewed and swallowed. Nylon bones splinter less than plastic ones. Inspect pet toys regularly and discard deteriorating ones.

Windy's Mom Says.... I am not them!

Lately I have run into training buddies who have encountered a bit of frustration, three different people, three different breeds, all encountering a roadblock in their progression of training as their current dog, a breed they have always had, is not responding to the same techniques that they have always relied on in training their past dogs. As each of us are all human beings, we are all still unique. What motivates one will not motivate us all. Same with our dogs. If tried and true is not working, explore some different options and don't lock yourself into the thought that this has always what I have done- remove that block in your mind, change it up, find what works, and move forward! Happy Training!

Without these wonderful volunteers, many were not even members of our club, we would have had a struggle putting on the show!

A huge thanks and tons of appreciation to each and every one of you!

It was a great day, sunny and warm and everyone who was there had a great time!

Glenbard Obedience & Rally trials 2021

I'm so happy the trial is over.

We lost a considerable amount of money. One reason being low entries for the three days. We did not have enough entries to justify three judges for 3 rings on Saturday and Sunday. The board chose not to have a raffle due to Covid. Plus we didn't have anyone willing to do it.

In 2019 we had 80 dogs entered in Rally with 113 entries for the weekend. (2 Rally trials)
This year we had 71 dogs entered in Rally with 110 entries for 3 Rally trials.

In 2019 for Obedience we had 136 dogs entered with 170 entries.
This year we had 122 dogs entered in Obedience with 173 entries.

My first phone call was at 7:55 AM on Friday from our Rally judge that the main gate was locked and she didn't know how to get in. Because she doesn't train here she didn't know to keep going to the driveway marked exit. I had put in the judging schedule that the main gate would be open as Jim McGuire had conveyed to Pat and me when met with him to talk about the Covid clinic and parking.

We got lucky because for some reason the Friday morning Covid clinic was not on. Parking would be fine.

The craft show on Saturday and Sunday started at 10 AM and had a parking sign before the main gate entrance to enter to the West of the big building. Good news was I didn't hear any complaints about parking.

Back to Friday: Lunch was a disaster which I get to take all the credit for. I insisted on not having sub sandwiches. I wanted to order from Boston Market. They didn't open until 11 AM. Candy and I were trying to place an order on our cell phones because the gal would not take an order for 13 lunches on the phone. She told us we had to order online. I got 7 in and decided to try to pay for those and go back and do the rest. For some reason the phone would not scroll down to let my pay with the club credit card. By now the trial was ending and people were leaving. Pat came to the rescue and said she had some extra cash Shawn had given her for the cash prizes. I said let's give everyone \$10 and let them go get their own lunches. 7 people took the cash and 6 did not.

On Saturday we had decided to have lunch delivered from Aurelio's. To my surprise Candy was still speaking to me. She was showing around that time. I figured Bill might be in the ring around lunch time too. Pat was also showing and busy. Candy called in the AM to place the order for delivery at noon. Unfortunately they too didn't open until 11AM. It ended up being ½ late. At least we got lunch. On Sunday Candy picked up lunch.

With the restaurants being short staffed lunch was a challenge. Someone had said I should have gotten subs for \$5. To which I replied I didn't want subs and one of my judges didn't either. I also said you can't get \$5 subs. When I was at Caputo's a few days later I saw subs on sale for \$5. I never thought about trying to get lunch there. It seemed too far away.

Dr. Sandra Gould didn't charge us a judging fee in addition to bringing all her Rally equipment and her husband to table steward. She only needed a jump from us. When she handed me her bill it said

Carole:

I would like to donate the judging
of this rally trial to the membership
of the Glenbard All Breed Obedience
Club. Thank you for inviting
me to judge.

Sandra also sent a note

Dear Carole:
I would like to thank you and the membership of GABOC for inviting me to judge your rally trial. An extra big hug to my wonderful, competent, knowledgeable stewards - they were the best of the best. Your team was extremely well organized and it was a pleasure to spend the day doing rally and hanging out with dog people.
Sandy

I also didn't hear any complaints about our judges. They had been hired by Donna back in 2019 for 2021.

To any outsider without knowing all the expenses and issues Pat and I ran into the trial looked to run smoothly. We got lucky that enough people showed up to steward. Thanks to all of you that pitched in and helped. A huge thanks to Pat Senne as without her there would not have been a trial.

I definitely have some recommendations for next year. Only two days with two rings and two judges to keep our costs down. Unfortunately the building rental is the big expense.

Since I was not given a chance at the membership meeting to go over all the details, (plus many members were not at the meeting), if anyone would like a copy of the trial income and expense report please email me and I will send one. I didn't feel the gory details belonged in the Barks which ends up on our website for the world to see.

I would appreciate anyone that showed or stewarded to send me any comments and or suggestions you have for improvements for next year.

Minutes 11/17/2021

GABOC Membership Meeting Held in Person and Zoom

Attendance: Byron Holtzen, Joan Mazat, Karen Schlipf, Bob Melka, Lee Melka, Gail Meyers, Pat Senne, Candy Ellis, Sandi Stephenson, Chuck Holtzen, Liz Hixon, Karen Heitz, Carole Moen, Lori Heipe, Laura Plasketes, Laura Setar, Shawn Hacker, Bette McMillan

Secretary Joan Mazat:

Joan read the minutes from the October meeting. Karen Heitz had a correction for clarifications. Sandi made a motion to accept the minutes, Bette seconded it. Motions passed

President's Report Bryon Holtzen:

Byron thanked everyone for their efforts this year. We have ended on a positive note financially. Classes were full and we opened classes to fill demand. We successfully had trials and he had come out for stewardship for the Obedience trial, and he thought overall it was a great trial. Unfortunately, we will lose money on the trial and we tried somethings new, and we learned some things. He appreciated the year, and we are in good shape.

Vice President/Membership Report Karen Schlipf:

We have three new members submitting applications:

Grace Wisnewski with Greater Swiss Mountain dog sponsored by Nikki Kuhlman, Liz Hixon, and Chuck Holtzen. Yes, she will help on training nights and she is the high school girl who helps Nikki with litters, etc.

Carol Denelii sponsored by Liz Hixon, Joan Mazat, and Lori Heippe. Sheila Gardener sponsored by Karen Schlipf, Joyce Clark, and Bette McMillan.

Vote for new members first Grace- Chuck said she is a freshman and lives at her house when Nikki has litters, and she is really good with the dogs. Several "love its" were heard. Sandi said "grab her! Should be our goal for young people. "Gail motioned to accept; all were in favor.

Next vote was Carol- Karen said she does her own thing and when things closed, she still comes in. Carol is training at FV and as the GSDTC and is a GSDTC Trustee. Joan explained that she has rescued several dogs, works super hard with Gigi, and came back to help us clean up after the trial. Karen motioned to accept her membership, Sandi seconded it. All were in favor.

Shelia has been away for a year. She has been around with her Pom Darby; she struggles with OB. Teaches conformation. Candy commented she was the registrar forever and had English Setters forever and that she is great. Sandi said she may be able to get her as registrar again if we cannot keep Chuck. Chuck wondered if she would enjoy the computer work. Sandi motioned to nominate her as a member and Kathy seconded it. Motion carried.

Candy asked if Pete's membership was confirmed. He was not included on the meeting notification on error, and he will be her training next week.

Treasurer's Report Shawn Hacker:

Money Market \$50,230.15

Debit Card \$3,371.71

Checking \$26,682.61

\$80,284.47 total

There is about \$1,000.00 outstanding with a check for Cheri for set up and take down plus some pending refunds.

One year ago, today we had \$71,457.89 and he feels that these guys did a great job and deserve a round of applause.

Shawn shown a P & L from November as \$75,08.84 for the year for the November 16, 2020 – November 16, 2021.

Byron said that Shawn got the financial reports to Byron last night and now he will be able to prepare a budget. Bryon thanked Shawn and so did everyone. There was a glitch in the reporting with the transition to QuickBooks Online.

DOT Liz Hixon:

Things are going well but Tuesday is light low, and we are trying to think of ideas and talking with Joan to bring in the Novice people for ring rental to allow them extra practice at a reduced rate. Other than that, the Monday classes are filling like crazy.

Building is not available December 5-7, and we need to bump the classes another week.

Official current class ends will be reported by Chuck to the trainers.

Registrar's Report Chuck Holtzen:

Gail is starting Beginner 1 November 29th and she could have filled two more classes. Beginner 1 is filling in February. Because we had to cancel classes, we had to push back two weeks from the original end date for class the last date is December 13th with December 14th now oved to December 20ths with CGC as the 21st. Joan is confused on her class status for last date and first date for new class and will reach out to Chuck.

Laura Plasketes asked for the status of rental nights. Shawn shared that Mondays are \$416 every night we train, we are still on the free Tuesday. Chuck noted that we are still in the pandemic and the fairgrounds have been quiet, noting that the health department is three doors down. No news is good news at this point on Tuesday.

Joan Mazat- Secretary: No further report

Director Bob Melka: No report

Director Sandi Stepheson: No official report but thinks things are going pretty well.

Byron asked if there were any questions from membership for the board.

Correction Match Joan Mazat: The match went very well, well attended. The Novice Rally Dogs will be signing up for Joan's novice class. A gentleman with a 10-year-old UKC CH and Field CH will be entering her novice class to seek to earn a AKC CD. All of our participants were happy and prepared as possible for the trial on the weekend. We had some unwelcomed excitement were one of the heaters in the building started to burn and smoke so we cut things short sadly for our volunteers to practice. Jim McGuire was called in and the Moen's stayed at the building until the situation was resolved. All was well.

Agility Chair Bette McMillan:

Next trial is Jan 22-23. Susie Schmitz is the judge. Superintendent is Bob Olson. Volunteer sig up sheets will be posted on is website the week of trail. Location is at Car dun Al in Huntley, IL.

OB Rally Trial Chair Carole Moen:

Byron thanked Carole for a great job and there were a few hiccups but did a great job! *Carole will send an official report for the minutes.* If anyone has any specific questions please come to Carole, Pat, and Shawn. Pat feels it was hard to get volunteers, but she was able to get some family members to help.

Brag:

Joan Mazat bragged on:

Windy- she unexpectedly as Joan has not thought about it received mail! Windy earned her PCDX and is now Esmonds Bel Air Rides Like the Wind UD PUTD PCDX RE CGA. Windy earned her first Preferred UDX leg at GABOC with a 196 in P Open. She missed the utility class at Car dun Al but took first in P Open with a 197!

Mars- He earned his second UD leg at GABOC'S trial and his third at Car dun Al to complete his Utility title. Mars is now Mondenkind's UD RA TKN CGC and has qualified for the GABOC HOF!

Nominating Committee/Elections Gail Meyer:

Gail stated that the slate last week missed Liz Hixon and Byron made sure it was known.

Gail met with the nominating committee and we had to dig deep but some did say they would do the job for us and she thanked them all!

Joan Mazat President

Karen Schlipf Vice President

Carol Moen Secretary

Shawn Hacker Treasurer

Liz Hixon DOT

Board members- we needed to come up with four. Note one is filling Chuck's vacated seat and their term will not be as long as the new board members and Gail said maybe one of the board members can decide with Joan who it is.

Lori Heipe

Gerry Bara

Cathy Bianchetti

Pat Senne

Gail then asked per Roberts Rules are there any nomination from the floor.

Gail turned it over to Mr Pres for the vote.

Now that there are no addition, he made a motion to accept as provided. Sandi made the motion, Gail seconded it, motioned carried. Byron thanked everyone.

Sandi asked about Ed Gigenheimer. Did his position expire, or he cannot attend? Liz spoke with him and he is aware. He was sure that this was going to happen, but his wife has health issues and stopped them from coming to meetings and participating on the board.

Old business none

New business

Shawn asked as seeing how McGuire has been so kind to us this year if a card of thanks can be sent to him. Byron asked Karen Schlipf to coordinate this.

Bette asked if there was charge for Tuesdays. Shawn noted he would get gift cards for workers for set up for special meetings, etc. but he does not charge us. \$1,800 is the normal charge per night but Shawn noted he has been kind to us.

Joan – Suggested that we have something for members as a plaque for getting into the HOF. Shawn suggested we can have the dogs/handlers posted on the cabinet for all to see. Joan asked others to think of suggestions.

Chuck made the motion to adjourn, Liz seconded it. All were in favor at 8:11 p.m.
