# BARKS

Hello Glenbard!

Schools out and summer is right around the corner!

This month we had a great time not only at training but at our annual banquet where we celebrated 2023's new title holders as well as our volunteers and our friendships! It was wonderful to catch up with those we have not seen in a while and enjoy each other's company! Wonderful food and wonderful friends! Thank you to all the committee members- Candy, Pat, Kathy, and Carole for your hard work!

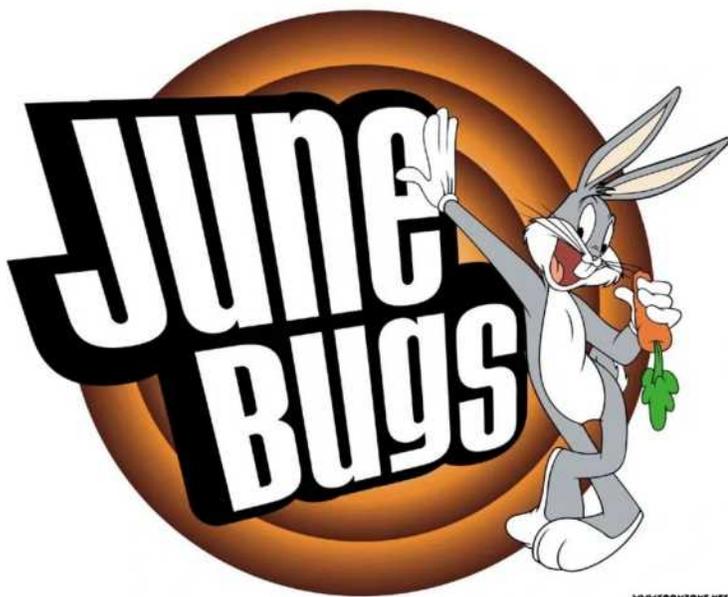

Up coming events - June 4th is our next correction match. It's amazing how the attendance has grown due to the monthly consistency and welcoming atmosphere provided by our Glenbard volunteers. Great job, Gina in leading this effort. Remember volunteering at the matches aided in credits for your awards next year.

July 1st is our club picnic- mark your calendars and reach out to Candy Ellis who chairs this wonderful event to contribute.

I hope to see you at the summer trials!

Joan, Windy, Mars, and Rodger too!

To All Pet Owners,

We have received numerous inquiries regarding the imminent arrival of cicadas. Here are some key points to keep in mind:

- Dr. Rena Carlson, the AVMA President, advises pet owners to monitor the amount of cicadas their dogs or cats ingest. The exoskeletons of these insects can cause digestive issues for pets, and some cicadas may contain pesticides and other substances.
- To prevent pets from consuming cicadas, consider opting for leash walks as a safer alternative in the upcoming weeks. This is a great opportunity to reinforce commands such as "leave it" or "drop it."
- If your pet experiences gastrointestinal distress after eating cicadas, please call us to schedule an appointment at 630-469-7400.

This year GABOC is hosting the 4H DKK 3 county dog show. We are looking for volunteers to work the show. The date for the dog show is Wednesday, June 12 starting at 6pm. We have a need for judges and stewards in obedience, Rally, and Jr. Showmanship. Could use one or two people for dog care class.

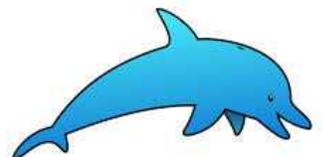

Please let me know if you are interested. Call or text me at 630-533-2108 or email me at [setarl@sbcglobal.net](mailto:setarl@sbcglobal.net). Please support our youth as the next generation dog showers.

Thank you.

# REMY FINALLY EARNED HIS CD!

Remy has been collecting ribbons this past year and our cat is a bit jealous. It was time to let all of you know, since we have been members of the club for a couple of years now and are finally competing at trials.

He earned his CD May 4th at the Janesville-Beloit kennel club, taking first in Novice A. Along the way, he earned the Karl Schmidt Award for highest scoring qualifier in Novice A during the GABOC trial in November.

More exciting than the awards has been meeting great dogs and their people, those who run the club and who take the classes at GABOC. Thanks to all who encouraged and gave helpful advice. Special thanks to Joan and Sandi for all of their expertise and patience. Respect.

Sandi Stephenson

My Fluffy Boy Mars earned UDX leg 3 at the Great Lakes Poodle Club trial May 15th giving me a great early birthday gift!

# TRAVELING WITH FIDO

Safety tips for traveling in the car with your pets

If you are using a crate, make sure it is **well-ventilated and secured**

Make sure it's **large enough** for your pet to stand, sit, lie down and turn around in

Get your pet **used to the carrier** at home before trying it out in the car

Bring along a **pet travel kit** with any and all travel papers, medical and vaccination records, food, a bowl, leash, a plastic bag to collect waste, a first aid kit, and toys

If you're not using a crate, make sure **your pet is secured** and not able to roam the entire car

**Never feed your pet in a moving vehicle** – feed them a light meal 3-4 hours before hitting the road

Make sure your pet is microchipped and **wearing a collar** with up to date identification information

**Never leave your animal alone** in a parked vehicle, not even for a second

In summer, even with open windows, your car can get extremely hot and your pet can get heatstroke

In winter, your car acts like a refrigerator, keeping the air cold causing your pet to freeze

Get your pet ready for a longer road trip by taking them on a number of **short drives first**

# Dogs die in hot cars

Share this today and save a dog's life

Never leave your dog alone in a car

If it's 22°C outside, inside a car it can get to 47°C within 60 minutes

In hot stuffy vehicles dogs cannot cool themselves down, even with the windows open

Heatstroke can be fatal to dogs

If you see a dog in a car on a warm day, call 999
