PRESIDENT'S REPORT by Jim Clarke

It's always sad to leave summer behind. When we returned from Northern Minnesota the Tuesday after Labor Day, it felt like we'd never been gone. We were able to pick up dog training right where we left off. With the fall comes new energy. All of us seem to have a desire to get back into the training ring to prepare for the up-coming fall trials. Somehow, dog training is taken more seriously now that summer is over. I have seen an increase in the number of people who are taking advantage of our drop-in training on Monday nights. Dogs feel better and handlers feel better.

Are you a new member to GABOC and want to become more involved but don't quite know where to start? Don't be shy! It's always nice to welcome a new face. Please--introduce yourself to me and ask how you can help. In case you don't know me, I'm the guy who sits outside the middle ring on Monday nights holding the leashes of two black labs. I will be happy to direct you to the right person with whom you can talk. Volunteers are always needed in the following areas:

- October 1 - **Correction Match** - Ring Steward, contact Cheri Nicholas at cherindean@gmail.com
- October 12 & 13 - **Agility Match** - contact Bette McMillan at bmcmillla@att.net
- October 27 - **TD/TDX/VST Tracking tests** - contact Darlene Barnard at ctannud@sbcglobal.net
- November 1, 2 and 3 - **GABOC Obedience Trial** - contact Donna Eichman at desertlab21@yahoo.com, Bette McMillan at bmcmillla@att.net, or Joyce Clarke at joyclarke134@comcast.net

Another way you can help and become more involved, would be to volunteer to become **Match Secretary**. Laura Setar has decided to step down at the end of the year. I am looking for someone to take over the job. Our first 2020 match is in April. For an explanation of the role of the Match Secretary, contact me--
jaclarke134@comcast.net.

I am pleased to report that the September General/Board Meeting, which was held at the Hummingbird Restaurant was a huge success. Some of us met in the restaurant prior to the meeting and had dinner. The October 25 meeting (7:00 p.m.), and all future meetings, will be held there, as well. Reports from the Audit Committee and Nominating Committee will be on the meeting's agenda. We will also discuss the possibility of a new website. The Hummingbird Restaurant is at 27W229 Geneva Rd., Winfield. Just a reminder, if you are working toward a 2019 award, it is one of the requirements that you attend at least two meetings per year. There are only two meetings remaining--October and November.

Don't forget, if you are preparing for one of the many up-coming trials, GABOC offers Early Training beginning at 2:00 with Rally run throughs and, from 3:00-5:00 you can sign up for individual 15-minute training in Open, Utility and Novice. Several instructors are available and are ready, willing and able to assist.

GET READY, EVERYONE! WE WANT EVERYONE TO EARN A LEG OR TWO. OR, WITH A LOT OF PRACTICE, ALL THREE!

USAG RED CLOUD AND AREA I SAFETY GRAM

FY 2016-01

Autumn Safety Tips

Autumn brings one of the most beautiful times of the year with colorful leaves and pumpkins littering the ground. The season also brings up safety issues for the entire family. Prepare for the changing weather of the fall to ensure that your family is both happy and healthy the whole season long.

Colder Weather

As autumn comes into full swing, the temperatures may lower in your area, which can lead to several safety issues.

- ◆ Have your chimney and furnace cleaned and inspected on a regular basis. This helps prevent chimney fires and carbon monoxide buildup.
- ◆ Keep your fireplace hearth free of newspapers, magazines, toys, or anything combustible.
- ◆ Do not burn cardboard boxes of trash in your fireplace, as they can cause chimney fires.
- ◆ Be sure the house is well ventilated when painting or using other chemicals.
- ◆ Leave at least three feet of space around your space heater. Remember to unplug it when it's not in use.
- ◆ Use candles with care. Keep them away from flammable objects. Never leave them unattended and always extinguish them before leaving the room.

Fall Driving

There are multiple autumn safety issues that relate to the road.

- ◆ Since days are getting shorter during the fall, more driving will occur when it is dark out. This can lead to drowsiness while, which leads to more accidents. Plan for more rest throughout the season.
- ◆ School buses will now be present in the morning and small children walking to the bus.
- ◆ Leaves may cover the road and become slippery with weather. This requires careful road travel, especially for bicycles and motorcycles.
- ◆ Tire pressure can be affected by the cool nights and warm days of autumn. Make sure to check on tire pressure throughout the season.

Staying Healthy

One of the downsides of fall is that with it comes cold and flu season. Some recommendations to keep in mind:

- ◆ Always get a flu vaccination. While it's not pleasant, it's much better than coming down with the flu, which can linger for weeks, and in some cases it can even be fatal.
- ◆ If you do get sick, don't go to work unless you absolutely have to. A cold or flu can spread around an office quickly, ruining productivity.
- ◆ Always wash your hands carefully. One of the best ways to avoid a cold or the flu is to wash your hands regularly. Make sure the water is hot, use plenty of soap, and keep the hands under the water for at least 30 seconds.

Following autumn safety practices gives you piece of mind that you are taking the proper precautions to keep your family safe as they enjoy this special time of year.
