April Showers

PRESIDENT'S REPORT by Jim Clarke

WOW! Who could have ever predicted that the month of April would arrive with such uncertainty. Some of the major considerations for your Board members were questions such as do we have a banquet and do we choose to close Monday training. I want to thank each and every board member for their input when I had to ask these questions. It didn't matter the question, they were all there for support and reassurance--**Donna Eichman, Liz Hixon, Sheila Gardner, Ed Gegenheimer, Bette McMillan, Marytherese Marosits, Bob Melka; and, of course, Joyce.** FYI, you voted for these people. They truly deserve your approval and support.

The **first question**, of course, was--Do we cancel the Awards Dinner? That question was asked just two days prior to the banquet date. The decision--Proceed with the banquet. We had a wonderful, I mean wonderful time. A huge **Thank you Sheila Gardner** for all of your effort. Everyone who attended arrived smiling. And, when they left, the guests who were definitely full from the delicious dinner, also left with a plush dog toy, a bag of dog treats, a Shamrock house plant, and a sampling of various desserts. How could you not smile? Another **Thank You goes to Bette McMillan** for donating the sheet cake. Bette had to pick up the cake at Costco on Saturday morning. That took courage and perseverance! If you want to hear a funny story about what was written on the cake, ask Bette! And, **thank you** to those who donated to the sweets table. We had a perfect array of desserts. Also, I don't want to forget to **thank Bob and Lee Melka** for designing and distributing the annual Awards Winner Booklet that everyone looks forward to receiving. Make sure you check out the website to see the five new dogs who entered our Hall of Fame. And, one more thing!

CONGRATULATIONS 2019 AWARD WINNERS!

The **second question** asked--Are we going to hold training on Monday, March 16? What a difference a day makes--Awards dinner on Saturday followed by Sunday's decision to cancel Monday training. Asked and answered!

Some good news and some bad news. The good news is that Laura Setar has decided that her key role with GABOC is being webmaster. The bad news is that Laura Setar has decided to relinquish her duties as Vice President. As a member of GABOC, Laura has not only held the position of Vice President, but she has served as Match Secretary and Banquet Chairman. Laura has decided that keeping up with the GABOC website is a time-consuming position. Laura, **thank you** so much for all of your past efforts.

At this point, nobody knows what the month of April holds for everyone who trains their dog on Monday night.

My hope is that we will be able to continue with regular training and our Pop-Up Classes. We also have a membership/board meeting scheduled for the last Friday of the month. However, my suggestion is to wait for my email blasts and to check the website (GABOC.org) in order to find out. Joyce's mother used to say, "This too shall pass!" We are all confused and saddened. But, we are all in this together. I suggest that we try to stay in touch with one another through telephone calls (yes, telephone calls), emails, or texts. Stay healthy everyone. Hopefully we will be together again soon.

Training Tip

Think of your dog's **recall skills** like a **piggy bank**. Every time you call him, he comes and you reward him, you **put a bit of money into your piggy bank**.

It doesn't matter if it is just an **easy situation** like calling him in from the yard - the more often you can go through the process of **calling - listening - rewarding** the better and more ingrained the habit of coming when called will get.

Try to find a few opportunities **every day** in which you can rehearse it. It can even be as simple as calling him from one end of the house to the other.

Build up his **desire to come to you** by **showing him over and over** how well this works out for him.

6 Dog Training Tips for Loose Leash Walking

1

STOP! Don't move when your dog pulls. When you move when your dog pulls, your dog thinks it is because he pulled you. If you move only when there is no pressure on the leash, your dog will catch on quick!

2

BEGIN TRAINING INSIDE if your dog pays no attention to you while out side. Lower distractions to teach your dog the skills to begin with and as your dog masters those new skills, slowly increase distractions.

3

CLICK or mark with a "yes!" whenever there is slack in the leash. Always follow your clicker or marker word with a yummy treat!

4

TALK to your dog! Talking to your dog helps your dog focus on you and not get too distracted by other stimuli. Dogs love having your attention and the interaction they can get from you for behaving.

5

As you increase distractions, increase the VALUE of the food you give as rewards. In higher distraction training sessions, make sure to use "human" food such as boiled chicken or hotdogs.

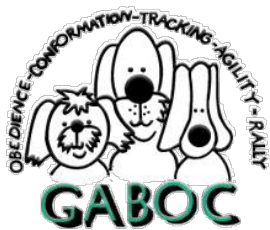

6

EVERY WALK IS A TRAINING SESSION. This means that until your dog walks well on leash, find other ways to exercise your dog. Bicycle rides, running on a treadmill, and obedience training are all good methods to drain energy!
