My name is Celeste, I am 9 years old, and my dog's name is Nash, he is 3 years old. Fur H is helping Nash by learning and practicing his new tricks. It is helping me is be a better trainer and owner. After school, I always look forward to seeing my dog. Now in his school, we can be together and are both learning. We were learning about heel. Nash and I never knew what heel was. We learned it and a couple of weeks passed by and Nash finally heeled at my side. We are always learning new tricks. Ever since we got Nash I had a huge connection with dogs. I got dog breed books and started making dog treats. My mom told me about 4 H dog training so I joined the club Fur-H. I thought it could be fun for Nash and me to go. My goal is to become a better trainer and Nash to be a more trainable dog and to show him at the county fair.

Glenbard membership meeting minutes November 16, 2022
At Dupage County Fairgrounds & Zoom

Meeting called to order at 6:43 PM

Members in attendance: Candy Ellis, Cathy LaBash, Pat Senne, Pattie Imburgia, Joan Mazat and Carole Moen. Shawn Hacker joined us later.

Zoom members: Sandi Stephenson, Karen Schlipf, Bette McMillan, Laura Setar, Nikki Kulhman, Grace Wisniewski, Gail Meyers, Laura Plasketes and Liz Hixon.

October minutes were approved by Candy and seconded by Karen.

President's report: Classes are full. People are bringing their friends. Everyone is happy.

The trial was great. Joan thanked everyone that helped.

Vice Presidents report: Membership; Cathy LaBash. She has been at every match. Her dog Buttercup has 8 points towards her championship.

Tyler Dundek with his cattle dog. He started in Pat's Puppy class, graduated Joan's Beginner class and is now in Sandi's Open class.

Unanimous vote to accept them as new members.

Registrar report: Pat said classes are full. She would like to increase them to 10 students as long as the class has an assistant. The cut off was 8.

The last class is December 12. Joan's class will go one more week and end December 19 because they chose to take off on Halloween.

New classes start January 9, 2023.

Agility trial: Bette said the October trial ran well. There were lots of workers. Entries were good, more Sunday than Saturday.

Pat wanted more information on the financials for the trial. Bette did not have it on hand. She said Donna gave some of the expenses to Shawn. Donna is hospitality. Pat can get that information from Shawn.

The next Agility trial is January 28 & 29, 2023 at Car-Dun-Al. Bob Olson is the trial secretary.

Obedience trial: Pat felt the trial was great. Joan said Lynn's team came out Friday morning to help set up.

Between Nov A and Beginner Novice A we had 7 competitors. They all got small gift bags.

Pauline G got 1991/2 in Open B for High in Trial on Sunday. Dave Parison got High Combined.

Candy said the food was excellent and all attendees that ate agreed. They had Italian beef sandwiches, deep dish pizza, mostaccioli and salad.

Joan said Pattie, Mary, Bette, and Laura Hall worked two days. Tyler our new member came at 7:30 AM and when he was done he went to work. Dave Crawford worked all three days. He will be rejoining the club. Joan added some MRC people came out.

Candy said someone was always ready to help.

Liz thanked everyone that stewarded. She agreed with Candy that someone was always to help and the food was great.

Pat reached out to AKC about returning to Francis field next year. They didn't have any problems with it. For Your Canine will be more costly than Francis field.

Car-Dun-AI is not available because there is an agility trial on our weekend.
Due to the huge financial savings we were in agreement to return to Francis field for 2023.
Liz made a motion and Karen seconded it to return. Motion passed.

Joan, Pat & Dean were in the storage room in our old training building. It needs to be cleaned out. Joan said some things in there were moldy and needed to be thrown away. She will send an email and find a time for some volunteers to go through it.

Treasurers Report: Shawn passed out a treasurer's report to those in attendance.
He said our accountant did our Federal and State taxes for 2021.
Shawn also said the IRS finally found our taxes for 2019 & 2020 after saying they didn't have them.
He and Donna had submitted them.

Joan mentioned that the board was going to work on a budget in January.

Christmas party: We decided on Monday December 12 at 7:30 PM. The club will supply drinks. Candy suggested an ugly sweater contest and an ornament exchange. It will be a potluck. Please bring a dish to share.

Election: The officers and board will remain the same for 2023 with Candy joining the board, replacing Lori. Members voted confirming the status quo.

Officers: President Joan Mazat, Vice President Karen Schlipf, Treasurer Shawn Hacker,
Secretary Carole Moen,

Board members: Pat Senne, Sandi Stephenson, Kathy Bianchetti, Gerry Bara and Candy Ellis.

4H class: Laura said she may have enough kids for a second class. She could do it at 5 PM. Tom is willing to help her. Everyone thanked Tom for assisting Laura.

Laura was asked to write an article for Barks about the class.

Brag: Liz and Teagan got their Tracking Dog title. Teagan ran her track in 5 minutes. Teagan also got her Rally Novice title at our trial.

Sandi and Secret got their 3rd UDX leg after Secret threw up prior to going in the ring at Car-Dun-AI. Secret also got two Rally Advanced legs at Car-Dun-AI.

Joan and Mars got 4 Rally Excellent legs with two 3rd places at our trial.

Joan and Windy got 16 qualifying scores making 8 legs of her PUDX in a row. They got their 6th leg at our trial and two more legs at Car-Dun-AI, for a total of 8 legs with 16 Q's.

An added note Windy entertained the spectators on her recall when Joan called her Windy was in la la land and didn't come. Windy then realized her error and came charging to Joan bouncing up and down and licking her face as an apology for not responding sooner. Since Joan remained planted and did not move or touch Windy, they still qualified.

Pattie asked about nose work. She said For Your Canine is making good money offering it. The question was asked if we could offer a nose work trial.

Cathy was looking for therapy dog training in particular with children. Kids can be hard to find.

Meeting adjourned 8:10 PM

Happy Valentine's Day

Here's what a dog would want for Valentine's Day: a nap, some treats, and plenty of kisses!

Hey, wait a second!
That's all the same stuff I'm wishing for you today!

Cold Weather Safety Tips for Dogs, from Head to Paws!

Ears, Nose and Tip of the Tail

Extreme temperatures can result in frostbite, and for dogs, the paws, nose, ears and the tip of tail can be especially vulnerable. If you suspect your dog may have frostbite, visit your veterinarian immediately. En route, handle the affected areas with extreme care, and wrap the pet in warm towels or blankets.

Torso

Some dogs (like Lucy the Chihuahua mix) need help keeping their bodies warm. If your dog has a short coat like Lucy's, invest in a well-fitted sweater or coat for trips outdoors. But if your dog is built for the winter weather (Huskies, St. Bernards, etc.), a sweater may cause him to over-heat, so let him enjoy the outdoors au naturel!

Brain

It's important to keep your dog's mind and body active, even when she's stuck indoors. Make time for regular games of indoor fetch, or teach her a new trick, like roll-over or shake. Kongs and puzzle toys are also a great way to engage the mind and make them work hard for those treats!

Paws

Salt, sand, snow, ice, and de-icing chemicals can cause dry paws, cracking, irritation, injury, and even infection. Put on dog booties or paw wax before going outside and wipe your dog's paws clean after every outdoor trip.

To My Valentine

I may seem quiet and reserved, but if you mess with my dogs, I will break out a level of crazy that will make your nightmares seem like a happy place.

With a bit of hauling and quick sorting , all that should be discarded is done with the materials that were brought over. This was a benefit and thank you!
Thanks to all those who helped!
We actually had a bit of fun and big smiles!

Also not shown , Cathy Labash gave good opinions on keep or dump and Sandi consulted on history papers.
We took an old set of jumps for rally as we are always short.
Exercise finished.

Thanks Team,

Joan
