PRESIDENT'S MESSAGE

A Note from the President's Article Bag

April is just around the corner. Time is flying by too fast. This means April 2nd is our next match. Competitors are starting to catch on to the fact that we are offering monthly matches. This is excellent. If you have time, volunteer with Gina Horner to participate. Remember this is a terrific way to earn credit for your awards and run your dog for free. Showing soon and need to focus? Register and run your dogs to help them get ready for the next trials.

Glenbard has been super busy as we always are.

Pat Senne is setting up Rally and offering training run throughs on Monday's. Spread the word and take advantage of this time to practice rally.

Our students have made great progress with their dogs- we are teaching utility! Wow- this is so very cool! Thank you, Karen Schlipf, for instructing our students and helping them reach higher titles!

Classes- something to keep in mind- Ed and Mary's 8:00 Novice Class is not as full as the earlier class. Take advantage of this opportunity for quality training.

Did you know that Pat Senne has wonderful Glenbard shirts available for sale- available at club? They are nice! Check in with Pat.

Notice all that literature on the table on Monday nights? Did you know you are welcome to take some and ask to have it placed at your favorite business to spread the word about GABOC? Spread the word!

Happy Training!

Joan

Introducing "Rodger to the Rescue!"

Introducing "Rodger to the Rescue!" - his official name, call name Rodger: **Shawn Hacker's** new puppy! Shawn has been quietly missing Blue. He's been trying to "steal" Windy's affections and loyalty from me to no avail no matter how good the treats offered and Mars will never leave my side. He gave up and decided to get his own dog!

Shawn has been surfing the internet for a new Heeler, preferring to rescue, recognizing how challenging Heelers can be, wanting to give one a home that understands their needs. He found Rodger's photo- face with a black mask and speckled coat- and couldn't get the little guy out of his head. He was listed under the Herding Dog Rescue as a Heeler mix but Rodger is a lot bigger than Shawn anticipated making us think he is not a Heeler- some say there's a bit of Great Dane somewhere in his history. His mom is a border collie mix for sure.

It's not been easy for poor Rodger due to a few health issues and has been in quarantine just in case to keep Windy and Mars safe but he is right as rain and will be training with Shawn very soon!

Help welcome Rodger next month when he takes his first baby steps into the training world and a big thank you to the GABOC Trainers who have already voiced their excitement in seeing Shawn in their classes- they can't wait to help Shawn and Rodger on their journey!

This year GABOC is hosting the 4H DKK 3 county dog show. We are looking for volunteers to work the show. The date for the dog show is Wednesday, June 12 starting at 6pm. We have a need for judges and stewards in obedience, Rally, and Jr. Showmanship.

Could use one or two people for dog care class.

Please let me know if you are interested. Call or text me at 630-533-2108 or email me at setarl@sbcglobal.net. Please support our youth as the next generation dog showers.

Thank you.

ATTENTION: HELP WANTED!

Hello!

We are in need of volunteers for our matches. Onsite training is provided and you don't need to know how to do anything! Right now we are looking mainly for stewards--helpers for the judges for Rally, Beginner Novice, Novice, Open and Utility. It's lots of fun and you'll learn a lot too!

At this point we may be eliminating Rally as we only have one person who can judge and we try to switch judges around so the entries can work in front of different judges. If you have Rally experience, would you please share that experience by judging at a match or two?

Thank you to those who have offered to help out. It is truly appreciated! Contact me via text 630-669-7257 or email ghoener@aol.com.

GET OUT THERE WITH YOUR PET!

An older, tired-looking dog wandered into my yard. I could tell from his collar and well-fed belly that he had a home and was well taken care of.. He calmly came over to me, I gave him a few pats on his head; he then followed me into my house, slowly walked down the hall, curled up in the corner and fell asleep.

An hour later, he went to the door, and I let him out. The next day he was back, greeted me in my yard, walked inside and resumed his spot in the hall and again slept for about an hour. This continued off and on for several weeks. Curious I pinned a note to his collar:
I would like to find out who the owner of this wonderful, sweet dog is and ask if you are aware that almost every afternoon your dog comes to my house for a nap.'
The next day he arrived for his nap, with a different note pinned to his collar:

*'He lives in a home with 6 children, 2 under the age of 3 - he's trying to catch up on his sleep.
Can I come with him tomorrow?'*

HI, I'M STOP THAT
