President's Message

A Note From the Presidents Article Bag

May!? How is it May!?

May means we are in our last rotation before the July break for our classes. We still have some more slots to fill before May 6 but classes overall are rather full. We are in need of instructors for puppy class and for other slots-please keep this in mind as we are happy to train on the job. You'd be amazed how you will grow as a handler if you train others.

May 6 is our correction match. The correction matches have increased in attendance as those in the sport are realizing that we are offering them monthly. Thank you to all of our volunteers for helping us make this an extremely well run night. Keep in mind that confirmation class continues at 6 o'clock before the match.

Sandi and I attended the Raise the Woof event for fundraising for the DuPage county animal shelter. It was a very fun night and extremely well attended. Our Glenbard certificates were tucked in to some of the baskets and some of them have been held for another fundraising event that will be occurring at a later date. As both of us were showing the next day, we could not stay very late into the bidding however, the first item up for auction which was your dog on the cover of the DuPage animal shelter went for \$1200. We are so pleased to be part of such a worthy cause.

I could not be more proud of all of our instructors and students who are doing a great job with their dogs and making Glenbard their happy place! Thank you for all you do and for enriching the lives of our wonderful dogs!

Joan, Windy, and Mars

Hey everybody! As a reminder hard-working, Pat Senne teaches Rally every Monday night! Pat set up challenging courses and is on hand to guide you through the course! Come on out and have some fun!

This year GABOC is hosting the 4H DKK 3 county dog show. We are looking for volunteers to work the show. The date for the dog show is Wednesday, June 12 starting at 6pm. We have a need for judges and stewards in obedience, Rally, and Jr. Showmanship. Could use one or two people for dog care class.

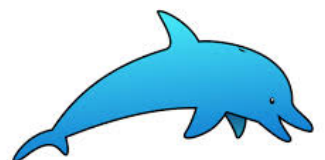

Please let me know if you are interested. Call or text me at 630-533-2108 or email me at setarl@sbcglobal.net. Please support our youth as the next generation dog showers.

Thank you.

Pineapple....WHAT!

Pineapple can be a delicious and nutritious treat for your pet, as long as it's given in appropriate amounts. Don't worry about potential toxicity of bromelain in your pet. According to one study wherein dogs received 750 milligrams of bromelain per kilogram of weight, no toxicity was reported.

When it comes to feeding pineapple, it's the **sugar content** that you need to be aware of. A single tablespoon of pineapple contains 1.01 grams of sugar. Therefore, it's important that you limit the serving to treats. A good strategy is rotating it with other healthy treats throughout the day.

As a general rule, **treats should comprise less than 10% of your pet's daily caloric intake. These foods are meant to be given as a healthy snack, not a replacement diet.** The bulk of your pet's nutrition should still come from nutritionally complete meals.

Misinformation about many healthy fruits, vegetables, nuts and seeds abounds on the internet. This is because websites have labeled all risks (such as the risk of over-consumption causing gastrointestinal issues, or choking on too large of pieces or pits) as "toxicities," which isn't true but has managed to confuse millions of pet lovers, nonetheless. In the case of pineapple, **the rind can be a choking hazard**, therefore you might see it listed as a dangerous fruit on some websites.

Serving pineapple raw is the best way of giving your pet the goodness of this fruit.

When it's hot, you can also freeze pieces before serving them to your dog, making sure the size is large enough to not create a choking hazard (**do not give frozen foods to animals that try to swallow foods whole**). **Under no circumstances should you be feeding canned pineapple chunks to your pet because the excess sugar in these products may cause health problems.**

Tuesday Night Conformation Class is the Place to Be

Every Tuesday at 6 o'clock, Sheila Gardner teaches the Glenbard conformation class. Handlers with dogs of every shape and size come and learn the fine art of handling and have led to great success. Just to name a few we have Dobermans, bulldogs, Samoyed, border collies, rough collies, Rottweilers, and pugs who regularly attend. It's amazing how this class has grown seeing up to 10 teams working in the ring. It's also fun to see many new handlers and young people coming to Glenbard to learn how to show their dogs. I have learned that not only professionals can win with their dogs if you get off on the right paw! Even on correction match night Sheila still offers conformation which has been greatly appreciated by the students. Come on out and spread the word!

The Ring Ready Intro to Open Class has some high flyers! Here is Bob Miller and his wonderful standard poodle Shobu having a blast! This great team will be seeking their Novice title this summer!

My wonderful Windy has once again defended her rank as the #1 Ranked Rottweiler in Preferred Utility (3 years in a row!) and #2 in Preferred Open for AKC & the American Rottweiler Club! My Girl has faithfully represented her breed and I am honored to have this gift in my life! She is three legs away from PUDX2- let's see if she can make it happen! But it's the time with her I love and the titles are just part of the journey! Remember to always enjoy the journey and LOVE YOUR DOG- win or loose!

Glenbard membership meeting minutes April 3, 2024 at Denny's

Meeting called to order at 7:06 PM.

In Attendance: Joan Mazat, Pat Senne, Candy Ellis, Gina Hoener, Pattie Imburgia, Mary Ramsden, Ed Gegenheimer, Sandi Stephenson and Carole Moen. Zoom was not available.

Presidents Report: Joan stated the classes were going good.

Pat added that 3 people had dropped out.
She said Karen is teaching Utility. The class is full with 4 people.

Ed is teaching two Novice classes. His 7 PM class is full with 9 people. The 8 PM is small so they finish early. Ed said the 7 PM people did not want to come later.
There was some discussion of ways to possibly entice some of the 7 PM people to switch to 8 PM.

Joan also wanted us to know Sheila's conformation class is doing great. She normally has 7 to 10 people with dogs of all different sizes.

Treasurers Report: Joan handed out copies of the Profit and Loss statement that Shawn had done. He wanted us to know he paid the rent for the second quarter.
Joan mentioned she would be speaking to Roger and could find out when he would have time to start work on our 501c3. We realize Roger has been busy with tax season.

Secretary's Report: Relevant AKC news was the address of judges and competitors will be left out of the catalogs starting July 3rd.
The February 7th meeting minutes were approved. The motion was made by Sandi, and seconded by Pattie.

DOT Report: Pattie said she wanted all the instructors to be on the same page. She mentioned she is not always sure if all her assistants are showing up each week.
Pat suggested that Pattie needed to have an instructors meeting.

Carole had offered to do a CGC test for Karen having found out all the other CGC evaluators were busy teaching and sometimes we would come up short of help.
Carole likes to meet the dogs a week or two before the test as some dogs seem to have a problem with her. She feels it is due to her disability and the way she moves. Pattie stated she didn't want the GCG done that way and with moving the test to Tuesday solved the lack of evaluators.

Registrar Report: Pat said the new training sessions start May 6th. There will not be a brake between the second and third sessions. The third one will end July 1st since we are taking off Memorial Day and Tuesday.

The Arboretum Trails on the Trail was brought up. Due to lack of help we would not be participating this year.

New Business: Gerry stepped down from the board. Ed nominated Gina. Carole mentioned Pam from the Shepherd club. Gina was unanimously voted in.

Match Report: Gina said all was going well.

Old Business: We are moving ahead with the 4H dog show on Wednesday June 12th at the fairgrounds. Laura S will need several volunteers. There will be more information in Barks as to help needed and to contact Laura S.
Joan mentioned when Shawn dropped of the rent check, the fairgrounds said how pleased they were that the 4H show was going to be at their location and that we were going to help with it.

Obedience and Rally trial: Joan said the contract was signed and done for Northwest. There would not be a pre-match

Pat said the judges are Chuck Kline from Minnesota and Cindy Pischke from Wisconsin for Obedience. The Rally judges are Sandra Gould on Saturday and Jonni Monnich on Sunday.

Pat mentioned the 2025 judges are Barbara Wedekind Selton from Minnesota and Jim Comunale from Missouri.

Pat also informed us that the Frenchie club wanted to know if they could borrow a complete set of jumps from us for their National. They offered to pay us a rental fee.

We need to see what jumps we have and where the news jumps that were purchased in 2021 are. Those are the ones the Frenchie people would want to borrow.

Carole said she would make it a point to talk to Dean about where and what we have regarding the jumps. She had promised to do it last month and hadn't gotten around to it.

Awards Banquet: Candy said we are going back to the Country House. She and Pat were going over there soon to make the necessary arrangements. A bigger room will be considered.

The banquet has been moved to Sunday May 19th.

Joan wants to promote it in Constant Contact and Barks.
